

DIRECT FROM LONDON UK THIS IS LIFE IN LONDON

Life in London News

Big changes are happening at Life in London.

1. The Inspiron 1000 is no longer the podcast studio as it has not turned on in days.
2. The iTunes Directory information is to be upgraded with new ID3 information, such as artwork, description, better user interaction.
3. The podcasts will not be limited to 10 minutes – we're moving away from CastBlaster.
4. The podcast will be more regular but less frequent – read this as a longer show but not produced as often – possibly weekly.
5. This is the time to suggest improvements, ideas and/or changes you'd like with Life in London, so send your feedback to udayan@30gigs.com

That's all for this PDF Podcast, until I have everything sorted out – this includes a new feed, a new hosting site and a new more scheduled approach – there won't be Life in London Audio Podcasts. Expect the much delayed Episode 15 before or on the 12th of November. Possibly a live recording...
